LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 5 **MR DICKINSON**—To ask the Honourable the Premier:
- 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.

- 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 16 **MR DICKINSON**—To ask the Honourable the Minister for Transport what has been the total cost of painting 39 buses belonging to the Geelong Transit Authority since its formation.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 5 **MR DICKINSON**—To ask the Honourable the Premier:
- 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.
- 13 **MR DICKINSON**—To ask the Honourable the Minister for Police and Emergency Services:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.

- 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 22 **MR DICKINSON**—To ask the Honourable the Minister for Housing:
- 1 How many homes the Ministry of Housing has purchased under the “spot” purchase plan in the electoral district of Geelong East in the past two years.
 - 2 What was the average price of these homes.
 - 3 What is the present waiting period for Ministry of Housing homes in that electoral district.

 - 3 What is the per capita cost for every man, woman and child to receive fluoridation of the water supply.
 - 4 What total capital cost has been incurred in the Geelong Water Board district, indicating the details of—(a) money spent to date; and (b) money which will be expended before June, 1985.
 - 5 What is the annual cost of each plant, indicating the cost benefit to people in the Geelong region and the number of people concerned.
 - 6 What action the Minister has taken to review the request by petitioners to the Government requesting a halt of the fluoridation project in the Geelong region.
 - 7 In the event that no action has been taken, whether the Minister will undertake to carry out an education programme and/or listen to any documented scientific papers which throw light on a contrary view that fluoridation is beneficial.
 - 8 How the public can file objections and complaints over the introduction of fluoride into their water supply.
 - 9 Whether a study has been made to ascertain if a cost saving would be received by the people of Victoria if fluoridation was removed from all water supplies throughout this State; if so, what are the details.
 - 10 What the cost benefit would be of allowing parents the opportunity of purchasing fluoride from their chemists and administering it to their children as one of the freedoms of choice available to them.
- 25 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources:
- 1 What steps the Government has taken to fund the upgrading of the sewerage outfall at Black Rock to meet Environment Protection Authority requirements.
 - 2 Whether the funds will be provided in the forthcoming financial year; if not, why.
 - 3 In respect of the sewerage line from Clifton Springs–Bellarine, whether the Minister has called for an environmental impact study in connection with the engineering works feasibility study for the Clifton Springs–Bellarine sewerage outfall to be connected with the Geelong–Black Rock tank sewer.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 5 MR DICKINSON—To ask the Honourable the Premier:
- 1 What positions paid by the Crown are now held by Labor candidates who unsuccessfully stood for the State election on 2 March 1985, indicating which electoral district each contested.
 - 2 How many Labor candidates held a position in the State Public Service prior to contesting the 1985 State election.
 - 3 What new Public Service positions have been made available to former Australian Labor Party candidates.
- 13 MR DICKINSON—To ask the Honourable the Minister for Police and Emergency Services:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry of Police and Emergency Services.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 14 MR DICKINSON—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 MR DICKINSON—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.

 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.

- 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 22 **MR DICKINSON**—To ask the Honourable the Minister for Housing:
- 1 How many homes the Ministry of Housing has purchased under the “spot” purchase plan in the electoral district of Geelong East in the past two years.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 23 **MR DICKINSON**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health:
- 1 What are the locations of all fluoridation plants in the State of Victoria.

 - 3 What time has been spent on the project to date.

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 14 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether the Minister suggested that the Bellarine Sewerage Authority charge a higher capital contribution for vacant land than for land with buildings; if so, whether this decision was aimed at achieving a higher level of acceptance of the scheme.
 - 2 Whether the Minister required the Authority to levy the contribution at the level suggested.
 - 3 Whether many young couples who have bought land and are saving to build are disadvantaged by this differential funding.
 - 4 Whether the recommended level of contribution discriminates against owners of vacant land.
 - 5 Whether the Minister is aware that prior to the Authority giving formal notice of the differential contribution, the Authority conducted a survey amongst land owners which indicated a majority in favour of equal contributions.
 - 6 Whether the Minister is aware of concern among owners of vacant land in the area of the Authority that has caused some to sell their properties.
- 15 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources, in respect of the Drysdale/Clifton Springs Sewerage Scheme:
- 1 Whether there is an in-built inequity where any date of construction is used to distinguish between the amount of contribution land owners must pay.
 - 2 Whether the Minister has authorized the Bellarine Sewerage Authority to make a differential charge other than for land with buildings and vacant land to enable a favourable contribution to be paid by the Returned Services League, churches, service groups or other community organizations.
 - 3 Whether consideration has been given to the inequity arising from the period of home ownership or where new homes have had plumbing installed in anticipation of the sewerage scheme.
 - 4 Whether the Minister can give an assurance that prior to settling the sewerage scheme, the Authority will take account of objections to differential funding.
 - 5 Whether the Minister has obtained a legal opinion which confirms the power of a sewerage authority to charge differential funding; if not, whether the Minister will obtain such an opinion.
- 23 **MR DICKINSON**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health:
- 1 What are the locations of all fluoridation plants in the State of Victoria.
 - 2 What is the—(a) capital cost; and (b) annual running costs of each of these plants.
 - 3 What is the per capita cost for every man, woman and child to receive fluoridation of the water supply.
 - 4 What total capital cost has been incurred in the Geelong Water Board district, indicating the details of—(a) money spent to date; and (b) money which will be expended before June, 1985.

- 5 What is the annual cost of each plant, indicating the cost benefit to people in the Geelong region and the number of people concerned.
 - 6 What action the Minister has taken to review the request by petitioners to the Government requesting a halt of the fluoridation project in the Geelong region.
 - 7 In the event that no action has been taken, whether the Minister will undertake to carry out an education programme and/or listen to any documented scientific papers which throw light on a contrary view that fluoridation is beneficial.
 - 8 How the public can file objections and complaints over the introduction of fluoride into their water supply.
 - 9 Whether a study has been made to ascertain if a cost saving would be received by the people of Victoria if fluoridation was removed from all water supplies throughout this State; if so, what are the details.
 - 10 What the cost benefit would be of allowing parents the opportunity of purchasing fluoride from their chemists and administering it to their children as one of the freedoms of choice available to them.
- 25 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources:
- 1 What steps the Government has taken to fund the upgrading of the sewerage outfall at Black Rock to meet Environment Protection Authority requirements.
 - 2 Whether the funds will be provided in the forthcoming financial year; if not, why.
 - 3 In respect of the sewerage line from Clifton Springs—Bellarine, whether the Minister has called for an environmental impact study in connection with the engineering works feasibility study for the Clifton Springs—Bellarine sewerage outfall to be connected with the Geelong—Black Rock tank sewer.
- 28 **MR DICKINSON**—To ask the Honourable the Minister for Housing:
- 1 How many houses and flats have been acquired by the Ministry of Housing in the electoral district of South Barwon since April 1982, and what has been the occupancy rate of these residences.
 - 2 How many homes or units owned by the Ministry have been vacant and for what periods.
 - 3 Why this accommodation was not immediately filled upon being vacated having regard to the hundreds of families in urgent need of housing through the Ministry.
 - 4 How many eligible people have been on the waiting list for accommodation through the Ministry in the South Barwon and Geelong and district regions since April 1982.
 - 5 What is the total number of people on the waiting list for accommodation through the Ministry in the Geelong region as at 1 September 1984.
 - 6 How soon these people can expect to be provided with accommodation through the Ministry.
- 31 **MR DICKINSON**—To ask the Honourable the Premier:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry for Employment and Industrial Affairs.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.

- 41 **MR DICKINSON**—To ask the Honourable the Minister for Labour:
- 1 What is the number of permanent and part-time employees, respectively, in the Department of Labour and Industry.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 45 **MR WILLIAMS**—To ask the Honourable the Minister for Industry, Technology and Resources whether he will ascertain and inform the House:
- 1 What is the per capita consumption of gas and electricity for each Australian State and major O.E.C.D. countries.
 - 2 What is the comparative unit cost of gas and electricity for domestic consumers in each Australian State and major O.E.C.D. countries.
 - 3 Whether his Department is able to draw any meaningful conclusions from this data; if so, what conclusions taking in special account of differing standards of living, climate and conservation of energy programmes.
- 48 **MR WILLIAMS**—To ask the Honourable the Minister for Water Resources:
- 1 What town water supplies do not meet World Health Organization standards for drinking water.
 - 2 What steps are being taken to reduce this number, indicating which water supplies are being improved.
- 54 **MR WILLIAMS**—To ask the Honourable the Minister for Water Resources:
- 1 How many former senior officers have taken advantage of any early retirement scheme implemented by major agencies and instrumentalities under the Minister's administration.
 - 2 How many of these positions have since been filled.
- 61 **MR WILLIAMS**—To ask the Honourable the Minister for Water Resources whether a corporate plan has been prepared for all departments, agencies and authorities within his administration showing—(a) overall objectives; (b) objectives of divisions and sections; (c) strategies to be used for meeting objectives; (d) priority and timing of strategies used; (e) persons responsible for directing strategies; (f) criteria for judging effectiveness; and (g) the system for monitoring level of effectiveness; if so—(i) where such plan may be inspected; and (ii) whether he would cause such plan to be incorporated in *Hansard*; if not, when it is anticipated that such plan will be available for the information of the Member for Doncaster.
- 92 **MR BROWN**—To ask the Honourable the Minister for Water Resources in respect of all monies borrowed by each department, agency and authority within his administration in the three year period ending 2 March 1985:
- 1 How many loans were transacted over this period, indicating the date each loan was formalized and the amount of money borrowed as a result of each loan.
 - 2 What are the details of the loan repayments, including the rate of interest payable and whether there is an escalation clause for the interest rate payable.
 - 3 From whom each loan was borrowed and what are the details regarding each individual or organization approached to provide finance, indicating the terms offered.
 - 4 What was the total amount of loans outstanding against each body as at 2 March 1982 and 2 March 1985, respectively.
 - 5 What are the full details of each offer to provide finance which was made to each body during this period.

- 6 Whether he will provide any other information required in order to enable the public to establish the full extent and cost of such borrowings over the above period.

136 **MR DICKINSON**—To ask the Honourable the Premier:

- 1 What is the number of permanent and part-time employees in the Health Commission and State public hospitals, respectively.
- 2 What was the total wages bill for the financial year ended 30 June 1984.
- 3 What percentage of this bill was paid in overtime and penalty rate allowances.

137 **MR DICKINSON**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health:

- 1 Whether he is aware that the World Health Organization original recommendations on fluoridation were to check fluoride from all sources before considering fluoridation in any city.
- 2 Whether he stated in a letter dated 5 July 1984 that fluoride from all sources had been determined in all Victorian cities and towns before compelling those populations to fluoridate their public drinking water supplies.
- 3 Whether he will lay on the table of the library—(a) the complete study relative to Geelong; and (b) the complete medical and scientific studies made in each city in Victoria where he has ordered compulsory fluoridation.
- 4 What are the methods used by doctors to measure the ionic fluoride in the blood of children and adults in—(a) the Geelong area; and (b) other areas of Victoria.
- 5 In respect of the findings of total fluoride from all sources in each community, how he intends to regulate the safe amount of fluoride in each of those cities drinking water supplies.
- 6 Whether he will lay on the table of the library the scientific study he claims shows a 60 per cent improvement in children's teeth since fluoridation commenced in Melbourne in 1977.
- 7 Whether he, the Honourable the Premier and the Health Commission used this claim of a properly conducted study to influence in official correspondence and literature in order to fluoridate Victoria's water drinking supplies and whether he is aware of an article in the latest *Fluoridation News* criticizing the claimed results in the study.
- 8 Whether the Health Commission has supplied the Anti-Fluoridation Association of Victoria with the one page study on children's teeth since fluoridation in Melbourne, which shows absolutely no difference in the children's teeth in fluoridated and non-fluoridated areas.

140 **MR DICKINSON**—To ask the Honourable the Minister for Water Resources:

- 1 What is the estimated cost of the combined fluoridation and chlorination plants at Anakie, Sheoaks and the Barwon system, respectively.
- 2 What funds have been spent to date and what costs are still to be met.
- 3 What future capital costs have and will be met by—(a) the State Government; and (b) the ratepayers of Geelong.
- 4 What is the current proposed commencement date for the operation of these plants and what is the estimated annual running cost of each plant.
- 5 Why funds have not been allocated to maintain water quality before 1987–88 and 1991–92, respectively in the Barwon region, and in the Sheoaks and Anakie regions before the mid-1990s.
- 6 What are the current standards of water quality and why this matter cannot be controlled sooner.

151 **MR WILLIAMS**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health:

- 1 How many patients are awaiting open heart surgery.
- 2 What is the average time to clear the accumulated waiting list.
- 3 How many cases have been accepted for open heart surgery but not yet booked for that operation.
- 4 How many patients awaiting open heart surgery have died in each of the past ten years.
- 5 What were the principal reasons causing such deaths.
- 6 Whether he will instruct the Health Commission to urgently obtain this information in the event that it is not readily available; if not, why?

NOTICE RECEIVED ON 18 APRIL 1985

LEGISLATIVE ASSEMBLY OF VICTORIA

QUESTIONS

NOTICES RECEIVED ON 3 APRIL 1985

- 23 **MR DICKINSON**—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health:
- 1 What are the locations of all fluoridation plants in the State of Victoria.
 - 2 What is the—(a) capital cost; and (b) annual running costs of each of these plants.
 - 3 What is the per capita cost for every man, woman and child to receive fluoridation of the water supply.
 - 4 What total capital cost has been incurred in the Geelong Water Board district, indicating the details of—(a) money spent to date; and (b) money which will be expended before June, 1985.
 - 5 What is the annual cost of each plant, indicating the cost benefit to people in the Geelong region and the number of people concerned.
 - 6 What action the Minister has taken to review the request by petitioners to the Government requesting a halt of the fluoridation project in the Geelong region.
 - 7 In the event that no action has been taken, whether the Minister will undertake to carry out an education programme and/or listen to any documented scientific papers which throw light on a contrary view that fluoridation is beneficial.
 - 8 How the public can file objections and complaints over the introduction of fluoride into their water supply.
 - 9 Whether a study has been made to ascertain if a cost saving would be received by the people of Victoria if fluoridation was removed from all water supplies throughout this State; if so, what are the details.
 - 10 What the cost benefit would be of allowing parents the opportunity of purchasing fluoride from their chemists and administering it to their children as one of the freedoms of choice available to them.
- 31 **MR DICKINSON**—To ask the Honourable the Premier:
- 1 What is the number of permanent and part-time employees, respectively, in the Ministry for Employment and Industrial Affairs.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 41 **MR DICKINSON**—To ask the Honourable the Minister for Labour:
- 1 What is the number of permanent and part-time employees, respectively, in the Department of Labour and Industry.
 - 2 What was the total wages bill for the financial year ended 30 June 1984.
 - 3 What percentage of this bill was paid in overtime and penalty rate allowances.
- 48 **MR WILLIAMS**—To ask the Honourable the Minister for Water Resources:
- 1 What town water supplies do not meet World Health Organization standards for drinking water.
 - 2 What steps are being taken to reduce this number, indicating which water supplies are being improved.

54 MR WILLIAMS—To ask the Honourable the Minister for Water Resources:

- 1 How many former senior officers have taken advantage of any early retirement scheme implemented by major agencies and instrumentalities under the Minister's administration.
- 2 How many of these positions have since been filled.

61 MR WILLIAMS—To ask the Honourable the Minister for Water Resources whether a corporate plan has been prepared for all departments, agencies and authorities within his administration showing—(a) overall objectives; (b) objectives of divisions and sections; (c) strategies to be used for meeting objectives; (d) priority and timing of strategies used; (e) persons responsible for directing strategies; (f) criteria for judging effectiveness; and (g) the system for monitoring level of effectiveness; if so—(i) where such plan may be inspected; and (ii) whether he would cause such plan to be incorporated in *Hansard*; if not, when it is anticipated that such plan will be available for the information of the Member for Doncaster.

136 MR DICKINSON—To ask the Honourable the Premier:

- 1 What is the number of permanent and part-time employees in the Health Commission and State public hospitals, respectively.
- 2 What was the total wages bill for the financial year ended 30 June 1984.
- 3 What percentage of this bill was paid in overtime and penalty rate allowances.

137 MR DICKINSON—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health:

- 1 Whether he is aware that the World Health Organization original recommendations on fluoridation were to check fluoride from all sources before considering fluoridation in any city.
- 2 Whether he stated in a letter dated 5 July 1984 that fluoride from all sources had been determined in all Victorian cities and towns before compelling those populations to fluoridate their public drinking water supplies.
- 3 Whether he will lay on the table of the library—(a) the complete study relative to Geelong; and (b) the complete medical and scientific studies made in each city in Victoria where he has ordered compulsory fluoridation.
- 4 What are the methods used by doctors to measure the ionic fluoride in the blood of children and adults in—(a) the Geelong area; and (b) other areas of Victoria.
- 5 In respect of the findings of total fluoride from all sources in each community, how he intends to regulate the safe amount of fluoride in each of those cities drinking water supplies.
- 6 Whether he will lay on the table of the library the scientific study he claims shows a 60 per cent improvement in children's teeth since fluoridation commenced in Melbourne in 1977.
- 7 Whether he, the Honourable the Premier and the Health Commission used this claim of a properly conducted study to influence in official correspondence and literature in order to fluoridate Victoria's water drinking supplies and whether he is aware of an article in the latest *Fluoridation News* criticizing the claimed results in the study.
- 8 Whether the Health Commission has supplied the Anti-Fluoridation Association of Victoria with the one page study on children's teeth since fluoridation in Melbourne, which shows absolutely no difference in the children's teeth in fluoridated and non-fluoridated areas.

151 MR WILLIAMS—To ask the Honourable the Minister for Transport, for the Honourable the Minister for Health:

- 1 How many patients are awaiting open heart surgery.
- 2 What is the average time to clear the accumulated waiting list.
- 3 How many cases have been accepted for open heart surgery but not yet booked for that operation.
- 4 How many patients awaiting open heart surgery have died in each of the past ten years.
- 5 What were the principal reasons causing such deaths.
- 6 Whether he will instruct the Health Commission to urgently obtain this information in the event that it is not readily available; if not, why?
