Re MT. TAXI PLATES

Mr Rod Barton thank you for caring for the Taxi Drivers, Operators & Taxi Owners,  
We have been long DESERTED and FORGOTEN

Mr Rod Barton

Me & My Wife WE SOLD 7 PROPERTEIS TO BUY 3 TAXI LICENCES \$500,000  
each

which is \$1.5 Million.

We leased the licences to other drivers we was getting \$3000 per licence per month  
 $3 \times \$3000 = \$9000$  income every month. We were taxi licences owners we been  
working hard enough in this Country for 50 years since we came to Australia and  
now we left penny less at our old age.

The 3 taxi licences we had it was our super and we will be a self funded retiree.

When the Government revoke our licences we lost everything, we now hardly survive  
from week to week,

We are not in the taxi industry anymore and we are too old to work.

Also we suffering from few illnesses who have been brought from being terribly  
distressed

with the unfair treatment from taxi industry.

We are under lots of depression, anxiety, panic attacks, anti socializing, very moody,  
edgy, we can't sleep, our happiness & cheeriness has completely disappeared.

This event has turn our lives upside down.

The \$200.000 that we received from the taxi industry for 3 taxi licences (Transition  
payment( already spent on Doctors, Medication, Hospitals and medical therapy.

SOLUTION

Refund of \$500.000 per Licence Market Price, plus 30 years leasing in advance  
\$3000 per month per licence market price from 2017 to 2047.

And then we will be happy with their decision.

Many Thanks

Mr Rod Barton

Warm Regards from

Gligur & Mirjana Hristovski.
