To the Economy and infrastructure commity

Jacob Revzin EX license holder and self retary

[REDACTED]

This is live story of me and my family in tree generaytions !

My grandfather was are farmer and has been prosecuted in 1929 by kommunistis government for having 2 horses and are cow, and has been send for tree years in hurd working camp with confiscation oll his property, his goods horses and cow has been take away from him by government.

Than second world war in 1941 my father left my mom pregnant with me and went to fight with germans were he got keeled and i born in july 1941 . My grandfather manage to take holl family to save him self and us from geting kiled by germans waile thay accupite ouers hom land in Belorys. And he take us to the Russian federation pass Stalingrad and we was ovether up to the time wen the war is finisnet Wen we return back home oyer house was burnet so we renting smoll plase from government. My family My mom had a job as are laborer in factory for smol wages and we ressived pention from government for my lost father (smoll amount)

In 1980 at the age of 40 i deside to emigrate to Australia . I wont geve my children beter future So me my mom my wife and 2 children age 12 and 5 . So we arrive in Melbourne 13 of march 1981 . To start build up my live. i do any work to make are dollar and of course my shortige of english.

Than in 1982 i pass test for taxi driving and start working .Year lather i bout my ferst taxi licens it was in 1983 and paid for it \$27500. Start working for my self, working long houers to catch busie time to make better money for tree adalt and twy kids to bedroom flat wich i renting in st Kilda wasnt enogh, so i bout are house in Ormond in 1985 for \$89000 children went to scool Working hurd but of my achivment i was huppy.. at the age of 50 i deside build up my busines and set up my own super fund to become self retaree to not be depend on government pension.

And i achieved i had good income, my 6 taxi licenses and my self manage super fund.

Wen Fels proposed regards taxi reformation i spok to my yungest son to sheer with him my consem. My son sad wat i steel thinking like i live in USSR it Australia, dont worry.

And now i lost everythink my income, essets and super and i am not self retary any more .After years of hurd worc i have to begging for pension

Now i cant see the diferent beetvin government hwy prosecuted my grandfather hwy having 2 horses and are cow and me.

So i asking wy in this free world it happend .WY i am not protected ? were is my humen wrights. constitution. And labor government the one hwy take away from me wat is my, and belong to me and my famili.??? WERE is the principal of Kapitalist Cistem Loks to me it is dictatorsheep!
