Q1:Booking service provider.

Q2:Absolute disaster as there are way to many booked and unbooked services. Many of these services are provided by none permanent visa holders wich always causes a lot of traffic problems as they lack enough driving skills and Melbourne road knowledge. There are many drivers who come just for the purpose of driving either ride share service or taxi, but they hold all sorts of none permanent visa. There are students doing around 80+ hours driving who dont really care about the image of the industry wich cause problems for the permanent drivers who made a career out of the industry.

Q3:The amount of jobs available as services exceeding demand wich is really difficult to make a living out of it.

Q4:Very powerless in terms of getting trouble makers off the road.
