  3. Which notifications have not been so acted upon, specifying the chemical group and the reason for inaction.

- \*1171. MR. ROPER : To ask the Honorable the Minister of Health, in respect of testing fruit, vegetables, meat and fish respectively, for dangerous pesticide residue—
1. How many samples were taken for testing by the Department of Health laboratories in each of the past three financial years and in the period 1st July, 1974 to 31st March, 1975, indicating how many were tested and with what result.
  2. Which officers of the Department are concerned with—(a) obtaining ; and (b) testing such samples.
- \*1172. MR. HOLDING : To ask the Honorable the Minister of the Arts—
1. Whether he has given an undertaking to the Geelong Cultural Institute Council that the Government will meet two-thirds of the cost of construction of its planned theatre complex.
  2. Whether he is aware that the Chairman of the Council made a public statement to this effect within the past month.
  3. Whether he has given an undertaking to the Council that the Government will meet—(a) the full cost of bridging finances ; (b) any escalation of construction costs since 1973 ; and (c) portion of the recurring costs of the planned theatre complex.
  4. Whether a feasibility study of the Institutes' project has been instituted ; if so—(a) Who are the members of the study group ; (b) whether local government bodies within the area are represented ; and (c) whether the feasibility study was established at his request.
  5. Whether he has received a request from the Shire of Corio to have Mr. B. McMurrich appointed to the feasibility study as a representative of local government ; if so, whether he has taken any action in regard to this request.
  6. Whether he has made any specific approach to the Commonwealth Government for assistance with the Institute's project ; if so, on what date, in what terms assistance was sought, and to whom the request was addressed.
- \*1173. MR. HOLDING : To ask the Honorable the Premier—
1. What action the Government has taken, and what action it intends to take, to conserve resources and energy supplies used by the packaging industry.
  2. In what ways the Government is acting to encourage recycling and reduce consumption of Victoria's limited resources.
  3. Whether the Government is aware of the concern expressed by the Australian Conservation Foundation and many other environmental organizations that modern packaging represents a dangerous drain on resources and energy supplies.
- \*1174. MR. HOLDING : To ask the Honorable the Minister of Public Works, for the Honorable the Minister for Local Government—
1. How much domestic garbage Victoria produces.
  2. How much of this total is estimated to be discarded packaging.
  3. What is the cost of garbage disposal.
  4. Whether the Government agrees with the call made by the Municipal Association for legislative curbs on the manufacturers of throw-away packaging, so as to reduce the burden which Councils and ratepayers have to bear in cleaning up discarded articles manufactured by the packaging industry.
  5. Whether the Government agrees that many municipalities are running out of tipping space and that garbage disposal costs are likely to rise very sharply in the future.
  6. Whether the Government agrees that ratepayers are currently subsidizing the packaging industry by paying rates to clear away litter and garbage.
- \*1175. MR. ROPER : To ask the Honorable the Minister of Health, further to the answer to question No. 1026 asked on 8th April, 1975 which persons or companies in the bread industry made submissions to him regarding the return of unwrapped bread prior to the publication of the regulation.
- \*1176. MR. ROPER : To ask the Honorable the Premier further to the answer to question No. 898 asked on 8th April, 1975, concerning seat belts for young children—

1. Whether he is aware that under the Commonwealth *Electoral Act* 1918-66 and *The Constitution Act Amendment Act* 1958 prisoners, convicted of offences for which the maximum penalty is less than twelve months, and who are on electoral rolls, are entitled to vote in Commonwealth and State elections.
  2. How many prisoners were serving sentences in each Victorian penal establishment for offences where the penalty is less than twelve months on—(a) 2nd December, 1972 ; (b) 19th May, 1973 ; and (c) 18th May, 1974.
  3. How many of these prisoners were entitled to be on Commonwealth and State Electoral rolls in each case.
  4. What provisions were made for securing postal votes for such prisoners in the elections of—(a) 2nd December, 1972 ; (b) 19th May, 1973 ; and (c) 18th May, 1974.
  5. How many votes were cast by prisoners in each penal establishment during those elections.
  6. What provisions will be made for carrying out the electoral law in future Commonwealth and State elections.
- \*1184. MR. MCCABE : To ask the Honorable the Minister for Conservation—
1. What money has been collected from amateur fishing licences in Victoria in the years, 1972 to 1974, inclusive, and in this year to date.
  2. How much of this money has been spent in each of the years on research into the problem of European Carp in Victorian inland waters.
  3. Whether co-operation into research on this problem has been achieved with the South Australian or New South Wales Governments.
  4. Whether any approach has been made to the Commonwealth Government for assistance either with money or technical research into the eradication and control of European Carp.
  5. Whether any overseas experts have been consulted with regard to either control or eradication of European Carp.

- \*1185. MR. WILTON : To ask the Honorable the Minister of Agriculture whether he caused an investigation to be made into the disappearance of a large quantity of wheat from the Grain Elevators Board terminal at Geelong ; if so—(a) what was the result of the inquiry ; (b) whether legal action will be taken against any person or persons, and, in that event, which person ; and (c) whether he has received a report on this matter and, if so, whether he will make a copy of the report available to the Member for Broadmeadows.
- \*1186. MR. SIMMONDS : To ask the Honorable the Minister of Transport—
1. Whether he has acted on correspondence dated 25th February, and 3rd March, 1975, requesting restoration of the service previously operated by the Reservoir Bus Co. Pty. Ltd. in Spring-street, Taylor-avenue and Clinnick-street, Reservoir.
  2. Whether the matters relating to this service raised in this House on 13th March, 1975 and reported on page 4156 of *Hansard* have been drawn to his attention.
  3. Whether 400 persons have expressed their disapproval of the changes in the original service.
  4. Whether he has read the 50 letters forwarded by the Member for Reservoir protesting at the elimination of the service.
  5. Whether Preston City Council supports restoration of the service along the Taylor-avenue and Clinnick-street route to serve the area which has had a service for 28 years.
  6. Whether the Transport Regulation Board has given approval for a new route to commence from 21st April, 1975 ; if so—(a) whether the Preston City Council was consulted and indicated approval of the route ; and (b) whether he will review the approval to provide for a complete restoration of the service previously available.

1. What are the terms of reference of the public transport inquiry for the Geelong area and when the result will be made available.
  2. Whether such inquiry will be an independent inquiry, as suggested by the Geelong Regional Planning Authority and the Citizens Liaison Committee.
  3. What is the estimated cost of the inquiry.
  4. When the firm of Wilbur Smith and Associates will be located at Geelong, Bendigo, Ballarat and Morwell, respectively, indicating the respective locations.
- \*1294. MR. JONES : To ask the Honorable the Chief Secretary—
1. Which institutions in Victoria carried out scientific experimentation on animals during 1974.
  2. In respect of each Institution, which animals were used in experimentation, indicating the number so used.
  3. Which provisions currently in force deal with scientific experimentation on animals.
  4. What personnel of the Chief Secretary's Department or the Victoria Police Force are involved in supervising provisions relating to scientific experimentation on animals.
  5. Whether he will give consideration to adopting the practice of the Home Office in the United Kingdom which publishes a quarterly statement providing details of all animal experimentation.
- \*1295. MR. HOLDING : To ask the Honorable the Minister for Conservation—
1. What are the Government's projections for nitrogen oxide emission levels over the next decade from—(a) expected increases in automobile numbers and mileage ; and (b) emission from expected increases in the combustion of natural gas.
  2. What reduction in nitrogen oxide emission will be brought about by the introduction of the pollution control devices to be installed in new automobiles from 1976 and how this compares with projected increases from other sources.
  3. Why the Environment Protection Authority has not established ambient air quality standards for the major air pollutants.
  4. Why the Authority has not developed any programme to achieve satisfactory air quality standards such as those now required by the United States Environment Protection Authority.
- \*1296. MR. AMOS : To ask the Honorable the Minister of Transport further to the answers to questions No. 1122 asked on 8th April, 1975, and No. 1182 asked on 22nd April, 1975—
1. What are the passenger figures for Berwick passengers who travel on the old 4.53 p.m. Traralgon train and the 6.08 p.m. train referred to.
  2. Whether the 6.08 p.m. train is preferred by Berwick passengers over the 4.53 p.m. train.
  3. In view of the indication that long distance country trains with air-conditioned cars are not intended for the use of Berwick passengers, why the Victorian Railways Board considers that it would be a retrograde step for Berwick passengers to not use the 6.08 p.m. train but to use an earlier or a later suburban train.
- \*1297. MR. DOUBE : To ask the Honorable the Premier whether, in view of this assurance to the Port Melbourne City Council that the Port of Melbourne Environmental Study will examine the environmental impact of the proposed Howe-parade railway and that this study is more specifically designed to examine the impact of the Webb Dock complex, he will—(a) give a guarantee that no work will commence on the railway or Webb Dock extensions until after the results of the study have been published and publicly debated ; and (b) provide information on the purpose and extent of extension work currently in progress at Webb Dock.
- \*1298. MR. ROPER : To ask the Honorable the Minister of Health in respect of the effects of malnutrition on children—
1. Whether any Department of Health programmes attempt to overcome such problems ; if so, which programmes.
  2. Whether the Department has commissioned any research on the subject ; if so, from whom and under what terms of reference.
- \*1299. MR. CURNOW : To ask the Honorable the Chief Secretary how many persons have been prosecuted so far this year for lighting a fire on a day of total fire ban, indicating the penalty imposed in each case.

- \*1300. MR. CURNOW : To ask the Honorable the Minister of Education whether funds were set aside for the "task force" recommendations in respect of disadvantaged schools ; if so, why the project at Maryborough East primary school has been delayed because of lack of finance.
- \*1301. MR. KIRKWOOD : To ask the Honorable the Minister of Transport—
1. Whether he will give consideration to duplicating the tramway overpass in Miller-street, Preston known as "the hump".
  2. Whether the single track overpass causes many delays to trams at this location ; if so, what is the average delay.
- \*1302. MR. ROPER : To ask the Honorable the Minister of Education further to the answer to question No. 978 asked on 20th March, 1975, relating to consultations with teachers' unions and other parties—
1. Whether objections were raised at the meeting of 10th October, 1973 ; if so, by whom.
  2. Whether the Victorian Secondary Teachers Association or any other body expressed the opinion that they needed time to consult their executives prior to any decisions.
  3. Whether, at the following meeting, unions such as the Victorian Teachers Union expressed reservations.
  4. Whether further meetings were held ; if so, when, and with what result.
- \*1303. MR. REESE : To ask the Honorable the Chief Secretary whether, in late 1974, the Road Safety and Traffic Authority commenced a survey of traffic volumes of vehicles using Nepean-highway between Cochrane-street, Gardenvale, and South-road, Moorabbin, with a view to determining the need or otherwise of increased clearway provisions through this narrow section of the highway ; if so, whether this survey has been completed, and with what result, or, if not completed, when it is expected the survey will be completed and decisions made.
- \*1304. MR. HANN : To ask the Honorable the Minister of Agriculture—
1. How many dairy licences are held by farmers in Victoria.
  2. How many new dairy licences have been—(a) issued ; and (b) cancelled, in each of the past 5 years.
  3. How many dairy farmers are involved in—(a) whole milk production for manufacture ; (b) whole milk production for liquid milk consumption ; and (c) cream production.
  4. How many farms are conducted solely as dairying enterprises and how many are conducted in conjunction with some other enterprise.
  5. How many—(a) proprietary dairy companies ; and (b) co-operative companies, there are in Victoria and what proportion of dairy farmers supply each of these respective dairy companies.
- \*1305. MR. AMOS : To ask the Honorable the Minister for Fuel and Power further to part 4 of the answer to question No. 1292 asked on 27th April, 1972, whether he is now in a position to provide details of the investigation into the compensation claims mentioned.
- \*1306. MR. AMOS : To ask the Honorable the Minister for Fuel and Power—
1. What land the Gas and Fuel Corporation has purchased west of Paynesville, indicating why it was purchased, what area of land is involved, and what was the cost.
  2. What was the future purpose of this land referred to in answer to a question without notice asked on 4th April, 1974.
- \*1307. MR. DOUBE : To ask the Honorable the Minister of Education—
1. What proportion of Victoria's allocation from Commonwealth funds recommended by the Australian Schools Commission for 1974 and 1975 under the heading "General Recurrent Grants Recommended for Government Schools" is made available to special schools and classes, indicating the amount for this purpose and the amount allocated to date.
  2. What proportion of Victoria's allocation from funds recommended by the Australian Schools Commission in table 10.3 under the heading "Grants Recommended for Recurrent Expenditure in Special Education" in 1974 and 1975 has been received, indicating—(a) how much has been spent to date ; (b) what schools have been involved ; (c) how much each such school has received ; and (d) what criteria have been used to distribute these moneys.
- \*1308. MR. AMOS : To ask the Honorable the Premier—
1. Whether, in a policy speech, he promised to establish a children's reception centre in the near future ; if so—(a) when this promise was made ; and (b) what period of time was envisaged in the use of the term the "near future".
  2. Whether he is aware that the Minister for Social Welfare has announced the establishment of a children's reception centre in the Latrobe Valley by 1978-79 ; if so, whether he will discuss this matter with the Minister with the view of bringing forward the establishment date ; if not, why.

\*1309. MR. AMOS : To ask the Honorable the Attorney-General, further to the answer to a question without notice asked on 25th March, 1975; concerning probate duty—

1. Whether the Government will consider allowing de facto widows the same State probate duty exemptions that are afforded to legal widows ; if not, why.
2. Why the present provisions discriminate against some women, who through no fault of their own were not able to marry their de facto partner.
