MR. PRESIDENT AND HONORABLE MEMBERS OF THE LEGISLATIVE COUNCIL :

MR. SPEAKER AND MEMBERS OF THE LEGISLATIVE ASSEMBLY :

I have summoned this Forty-second Parliament of Victoria to meet at an early date for the despatch of public business.

The honour of opening this Session has devolved on me owing to the appointment of His Excellency the Governor as Administrator of the Commonwealth pending the arrival of the Governor-General designate. Lord De L'Isle is due to arrive in Melbourne to-morrow and I join you in offering him congratulations on his appointment and best wishes for a happy and successful term of office.

My advisers received with deep regret the announcement of the illness of His Excellency Sir Dallas Brooks. They earnestly hope that now he has returned to Victoria he will soon be restored to his normal health and strength.

The Lieutenant-Governor, Sir Edmund Herring, who has been overseas, will return to-morrow and assume the Vice-regal office until the Governor-General designate is sworn in, and His Excellency the Governor resumes his duties.

Following the recent widespread rains the seasonal outlook for the whole of the State is most promising, and good spring rains should ensure increased production of major primary products.

MR. SPEAKER AND MEMBERS OF THE LEGISLATIVE ASSEMBLY :

A review of the transactions in respect of Revenue and Expenditure for the year 1960-61 indicates a satisfactory budget result.

Supplementary Estimates of Expenditure for the last financial year, together with a Supply Bill to make further provision for the services of the current financial year, will be submitted to you without delay.

It has been proposed that when the additional Supply has been granted there should be an adjournment for a short period to enable the Government to prepare its legislative programme for the Session.

Estimates of Revenue and Expenditure for the full year will be placed before you as early as possible.

MR. PRESIDENT AND HONORABLE MEMBERS OF THE LEGISLATIVE COUNCIL :

MR. SPEAKER AND MEMBERS OF THE LEGISLATIVE ASSEMBLY :

I now leave you to your deliberations and pray that under Divine guidance your labours may advance the welfare of the State.

Which being concluded, a copy of the Speech was delivered to the President, and a copy to Mr. Speaker, and His Excellency the Administrator left the Chamber.

The Tellers having declared the numbers for the "Ayes" and for the "Noes" to be respectively fifteen, or equal, the President said—

The result of the division being "Ayes" 15 and "Noes" 15, I give my casting vote with the "Noes" to allow the business of the House to proceed and to remain in the hands of the Government.

And so it passed in the negative.

The Tellers having declared the numbers for the "Ayes" and for the "Noes" to be respectively fifteen, or equal, the President said—

When there is an equality of voting the responsibility devolves upon me to give a casting vote. In this Bill the Government seeks to repeal a section of the Labour and Industry Act which has been on the statute-book for many years. In those circumstances it is usual to give a casting vote the effect of which will be not to make a change in the law. Therefore, to preserve the *status quo* I give my casting vote with the "Noes." The "Noes" therefore have it.

And so it passed in the negative.
